

Principal Evaluation Feedback November 2016

Community members are encouraged to contribute to the annual principal evaluation process by completing this short anonymous survey. If you wish to comment on more than one principal, you will need to complete the survey more than once.

The information collected through the survey will be used to provide feedback to principals in relation to their work and professional growth.

Questions related to the survey can be sent to Cheryl Dopp, OSSU Director of Human Resources, at cdopp@ossu.org or 802-472-6531.
